3.1.1. Competitors are responsible for sending in correct and complete entries with the correct entry fees prior to the entry closing date which shall be three days before each round.

3.1.2. Incorrect or incomplete entries (Including Driver to be Nominated Entries) are to be held in abeyance until they are complete and correct and the date of receipt for acceptance of entry purposes shall be the date on which the Secretary of the Meeting receives the missing or corrected information or fee.

3.1.3. Any withdrawal of Entry or driver/Car changes made after acceptance of any entry must be notified to the Secretary of the Meeting in writing. If Driver/Vehicle changes are made after publication of Entry Lists with Final Instructions the Competitor concerned must apply for approval of acceptance by the Stewards of the Meeting BEFORE signing-on.

3.1.4. The Maximum Entry Fee for each round shall be £230.00 however it is intended that the entry fee for most rounds will be £170.00.

Plus a £15 Late Entry Surcharge imposed by the Race Meeting Organisers for any entry received after 10 days prior to the date of a meeting.

3.1.5. In the event of any rounds being oversubscribed the Organising Club, in liaison with the Co-ordinator may at their discretion run Qualification Races. For qualification race procedures see 3.13 of these Regulations.

- 3.1.6. Reserves are to be nominated on the Final List of Entries published with Final Instructions or Amendment Sheet Bulletins. All Reserves will practice and replace withdrawn or retired entries in Reserve Number order irrespective of class. If Reserves are given Grid Places prior to issue of the first Grid Sheets for any round the times set in Practice shall determine their grid positions. If Reserves are given places after publication of the grid sheet and prior to cars being collected in the Official "Assembly Areas" they will be placed at the rear of the Grid and be started without any time delay. Otherwise, they will be held in the "Assembly Area" and be released to start the race after the last car to start the GREEN FLAG LAP or last car to take the start has passed the start line or pit lane exit. Such approval to start MUST be obtained from the Clerk of the Course.

3.2. Briefings:

Organisers should notify competitors of the times and locations for all briefings in the Final Instructions for all meetings. Competitors must attend all briefings.

3.3. Practice:

The minimum period of practice to be as specified in the MSA Regulations.

Should any Practice Session be disrupted the Clerk of the Course shall not be obliged to resume the session or re-run sessions to achieve the challenge criteria and the decision of the Clerk of the Course shall be final.

3.4. Qualification:

Each driver should complete a minimum of 3 laps practice in the car to be raced and in the correct session in order to qualify for selection and order of precedence as set out in the MSA Regulations Q4.5.. The Clerk of the Course and/or Stewards of the Meeting shall have the right to exclude any driver whose practice times or driving are considered to be unsatisfactory - as per MSA Regulation Q4.5..

3.5. Races:

The standard minimum scheduled distance shall be 12 miles whenever practicable but should any race distance be reduced at the discretion of the Clerk of the Course or Stewards of the Meeting it shall still count as a full points scoring round.

(The procedure for qualification races is specified in 3.13)

3.6. Starts:

- 3.6.1. All race start countdowns are to have a minimum elapsed period of 3 minutes from the time all cars are released from the Paddock Assembly Area to the start of the Green flag Lap(s) in the formation as specified on the Track Licence for the circuit.

- 3.6.2. The minimum Countdown procedures/Audible warning sequence shall be:-

Standing Starts:

1 minute to start of Green Flag laps - Start Engines/Clear Grid.

30 Seconds - Visible/audible warning of the start of Green Flag lap(s).

- 3.6.3. The use of tyre heating/heat retention devices, tyre treatments and compounds is prohibited.

- 3.6.4. Any cars removed from the grid after the 1 minute stage or driven into the Paddock on Green Flag lap shall be held in the Assembly Area, and may start the race after the last car to take the start from the grid has passed the start line.

- 3.6.5. Any drivers unable to start the Green Flag lap or start are required to indicate their situation as per MSA Regulation Q12.13.2 and any drivers unable to maintain grid positions on the Green Flag Lap to the extent that ALL other cars are ahead of them, may complete the Green Flag lap but MUST remain at the rear of the last row of the grid but ahead of any cars to be started with a time delay.
- 3.6.6. Excessive weaving to warm-up tyres - using more than 50% of the track width, and falling back in order to accelerate and practice starts, is prohibited.
- 3.6.7. A five second board will be used to indicate that the grid is complete. The red lights will be switched on five seconds after the board is withdrawn.

In the event of any starting lights failure the Starter will revert to use of the National Flag.

3.7. Race Stops.

- 3.7.1. Should the need arise to stop any race or practice, RED LIGHTS will be switched on at the Startline and RED FLAGS will be displayed at the Startline and at all Marshals Signalling Points around the Circuit.

This is the signal for ALL drivers to cease circulating at racing speeds, to slow to a safe and reasonable pace and to return to the starting grid area which will automatically become a Parc Ferme area.

Cars may not enter the Pits unless directed to do so. Work on cars already in the Pits must cease when the race is stopped.

- 3.7.2 Case A - Less than two laps completed by the Race Leader.

The Race will be null and void. The race will restart from the original grid positions. Competitors unable to take the restart may be replaced by reserves who will start from the back of the grid in reverse order. Gaps on the grid should not be closed up. The length of the restarted race will be determined by the Clerk of the Course.

- 3.7.3 Case B – More than two laps completed by the Race Leader but less than 75%

The Race will restart from a grid set out by the finishing order of part one, (as per Q5.4.3). The result of the race will be the finishing order at the end of part 2. The length of the restarted race will be determined by the Clerk of the Course.

- 3.7.3 If the leader has completed more than 75% of the race distance or duration it shall not be restarted and the and the results will be declared in accordance with MSA Regulation G23, unless the Clerk of the Course in consultation with the Stewards deem it appropriate to restart the race.

3.8. Re-Scrutiny:

All vehicles reported involved in contact incidents during races or practice must be re-presented to the Scrutineers before continuing in the races or practice.

3.9. Assembly Area Safety:

- 3.9.1. Entrants must at all times ensure that the MSA, Circuit Management and Organising Club Safety Regulations are complied with at all times.
- 3.9.2. Assembly Area: The diagonal crossed yellow box lane is to be kept unobstructed to allow safe passage of cars at all times. The onus shall be on all Drivers to take all due care and drive at minimum speeds in the Assembly Area.
- 3.9.3. Refuelling: May only be carried out in accordance with the MSA General Regulation Q13, Circuit Management Regulations and the SR's or Final Instructions issued for each Circuit/Meeting.

3.10. Race finishes:

After taking the Chequered Flag drivers are to required to: Progressively and safely slow down, remain behind any competitors ahead of them, return to the Paddock entrance as instructed, comply with any directions given by Marshals or Officials and to **keep their helmets on and harnesses done up while on the circuit or in the paddock return road.**

3.11. Results:

All Practice Time sheets, Grids, Race Results are to be deemed PROVISIONAL until all vehicles are released by Scrutineers after Post Practice/Race Scrutineering and/or after completion of any Judicial or Technical Procedures.

3.12. Timing Modules

All competitors will be required to fit Electronic self Identification Modules (Transponders) to their cars for the purpose of accurate timing. Holders for these and detailed fitting instructions are supplied with the transponders and it will be the responsibility of the competitor to fit these in the car in the position and manner specified. The Modules must be in place and functioning correctly for all series qualifying practice sessions and races. Failure to fit a transponder may result in times not being recorded.

3.13. Qualification Races

The decision to run Qualification races is entirely at the discretion of the club(s) organising each round according to the number of entries received for such rounds. All affected Competitors must be notified in writing, with their Final Instructions, that this provision will be applied.
